# Wooden card holder - 105 x 20 x 60 mm - walnut

Produktbild Cover

## Product information

Our walnut card holder is the perfect solution for displaying your NFC plates. With an elegant walnut wood design, it brings style to any environment.

## Short description

- Wood, walnut
- Format: 105 x 20 x 60 mm
- Installation angle: 75° or 90°
- Indoor use, limited outdoor use

## Product description

The card holder has two cut-outs where you can choose between an installation angle of 75° or 90° by simply turning it around. With dimensions of 105 mm x 20 mm x 60 mm and the 4 mm wide notches, the card holder offers sufficient space for NFC plates made of various materials. It can be used in a variety of ways, for example as a menu card holder, for information signs at counters or receptions and for rating cards that need to be placed.
