Product number: 17232

Acrylic card holder - 105 x 20 x 60 mm - transparent

Produktbild Cover

Product information

Our acrylic card holder is the perfect solution for displaying your NFC plates. With its elegant, transparent design, it brings style to any environment.

Short description

- Acrylic, transparent
- Format: 105 x 20 x 60 mm
- Installation angle: 75° or 90°
- Indoor and outdoor use

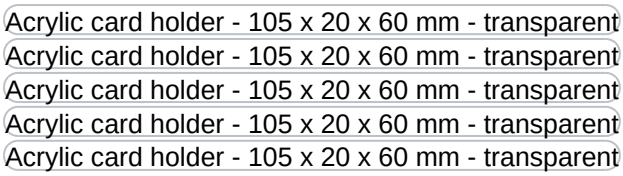

Product description

The card holder has two cut-outs where you can choose between an installation angle of 75° or 90° by simply turning it around. With dimensions of 105 mm x 20 mm x 60 mm and the 4 mm wide notches, the card holder offers sufficient space for NFC plates made of various materials. It can be used in a variety of ways, for example as a menu card holder, for information signs at counters or receptions and for rating cards that need to be placed.
