Product number: 68991

NFC Love Heart Sticker - Digital Messages - PET - 35 x 30 mm - red

Product information

With our NFC Love Stickers you can send messages to your loved one in a completely new way. Who doesn't know them - the good old Post Its, which were perfect to leave your loved one short love messages? With our NFC Love Sticker we have brought this beautiful memory into the digital age. The heart-shaped sticker is the ideal gift - simply leave a personal message on the heart and gift it to your loved one.

Short description

- Digital sticker made of PVC in the shape of a heart
- Easy to attach anywhere
- Add a personal message and edit it from anywhere at any time
- The recipient simply scans the sticker with their smartphone and enjoys the personal message!

Product description

The digital NFC Love Sticker is made of flexible PET and can easily be stuck anywhere. The material used results in a waterproof and durable product, measuring 35 x 30 mm, with which you can delight your loved ones every day.

The NFC Love Sticker contains an NTAG213 chipset. This allows you to store your personalised message on the NFC Love Sticker via the NFC Love Portal. You decide how the message should look like and personalize it in a unique way.

More information about the NFC Love Sticker can be found on the NFC Love website.
