Product number: 68073

NFC Love Heart - Digital heart tag - PVC - 36 x 32 mm - red

Product information

With our digital heart pendant NFC Love Heart you can send messages to your loved one in a completely new way. The heart-shaped pendant is ideal as a gift - simply place a personal message on the heart and give it to your loved ones. So your loved ones can always carry the Love Heart with them as a symbol of your love and be reminded by the personal message at any time.

Short description

- PVC digital pendant in heart shape
- Easy to attach anywhere, e.g. on your key ring or bag
- Add a personal message and edit it at any time from anywhere
- The recipient simply scans Love Heart with their smartphone and enjoys the personal message!

Product description

The NFC Love Heart is made of solid PVC and can be easily attached anywhere via the tag. The PVC used, results in a waterproof and durable product, with a dimension of 36 x 32 mm, which can accompany your loved ones everywhere.

The NFC Love Heart contains an NTAG216 chipset. Your personalized message can be stored on the Love Heart tag via the NFC Love Portal. You decide how this message should look like and personalize it in a unique way.

You can find more information about the NFC Love Heart on the Love Heart website.
