Product information

The solid wood card holder is the perfect place to store any business card, and its high-quality and natural look ensures that your digital business card is presented in a stylish way.

Short description

- Sipo wood, oiled
- Format: 106 x 39 x 83 mm (W x H x D)
- Notch: 86.5 x 55.6 mm (W x H)
- Weight: 140 g

Product description

The surface of the card holder is treated with natural oil, which emphasizes the structure of the wood and adds a slight shine. The wooden wedge has an 86.5 x 55.6 mm recess, in which the business card is inserted and becomes one with the surface of the card holder. By light pressure on the sides of the groove, the business card can be easily removed from the wooden wedge.
