Product number: 68003

Card holder for ISO cards - transparent - landscape format

Product information

The card holder can be used for all ISO cards with the format 85.6 x 54 mm and is therefore ideally suited for name badges at the workplace, at trade fairs or conferences.

Brief description

- Plastic material, robust
- Format 92 x 69 mm
- For indoor and outdoor use

Product description

NFC product

The transparent card holder is made of plastic and has a format of 92 x 69 mm with a material thickness of 4 mm. It has a smooth surface and is suitable for ISO cards with the format 85.6 x 54 mm. In landscape format, the card holder has three punched holes to which, among other things, a necklace can be attached.
