Product number: 69024

# Social-vCard Dark - Digital social media sticker - PET - 35 x 18 mm - black | dark

## Product information

The Social-vCard Dark is your digital social media business card in a handy sticker format. Gone are the days when you had to spell out each of your social media profile names. All you need to do is scan your Social-vCard with your smartphone - and you'll be presented with a comprehensive overview of all your social media profiles. One click is enough to open the corresponding profile. Winning new followers has never been so easy!

## Short description

- Digital Social Media Profile Social-vCard
- Just stick it on your smartphone
- All social media accounts at a glance
- Call statistics and personal URL to online profile
- Readable via NFC
- No app and no programming necessary

## Product description

The Social-vCard sticker with a size of 35 x 18 mm can be easily attached to any smartphone. We recommend the lower area of the back of your smartphone.

The Social-vCard Sticker contains an NXP NTAG213 chipset. All necessary information can be stored easily on the chip via theSocial-vCard portal- without an app. The information can be updated at any time if required. Any NFC-enabled smartphone can read the Social-vCard Sticker.

You can find more information about the Social-vCard on the Social-vCard website.
