# Social-vCard Glow - Digital social media sticker - PET - 35 x 35 mm - pink | glow

## Product information

The Social-vCard Glow is your digital social media business card in a handy sticker format. Gone are the days when you had to spell out each of your social media profile names. All your counterpart needs to do is scan your social vCard with his smartphone - and a comprehensive overview of all your social media profiles is presented. One click is enough to open the corresponding profile. Winning new followers has never been so easy!

## Brief description

- Digital Social Media Profile Social-vCard
- Simply stick it on your smartphone
- All social media accounts at a glance
- Call statistics and personal URL to online profile
- Readable via NFC
- No app and no programming necessary

## Product description

The Social-vCard sticker with a size of 35 x 35 mm can be easily attached to any smartphone. We recommend the lower area of the back of your smartphone.

The Social-vCard Sticker contains a NXP NTAG213 chipset. All necessary information can be easily stored on the chip via the [Social-vCard portal](#)- without the use of an app. The information can be updated at any time if required. Any NFC-enabled smartphone can read the Social-vCard sticker.

You can find more information about the Social-vCard on the [Social-vCard website](#).
