Product number: 69027

5 NFC-vCard stickers - Digital business card - incl. NFC-vCard access - PET - 35 x 18 mm - black | black

Product information

The NFC vCard Sticker is your digital business card in a practical sticker format. Gone are the days when you had to type contact data into the phone book by hand. Thanks to the online profile linked to the NFC-vCard, your counterpart can receive all the important data with just one scan and save it in his smartphone. In addition to extensive contact and company data, pictures and social media profiles can also be stored.

Short description

- Digital business card NFC-vCard sticker
- Simply stick it on the smartphone
- Extensive contact and company data
- Call statistics and personal URL with link to profile
- Readable via NFC
- No app and no programming necessary

Product description

The NFC-vCard sticker in a practical set of 5 including vCard account with a format of 35 x 18 mm can be easily attached to any smartphone. We recommend the lower area of the back.

Each NFC-vCard sticker contains an NXP NTAG213 chipset. All necessary information can easily be stored on the chip via theNFC-vCard portal- without the use of an app. The information can be updated at any time if required. Any NFC-enabled smartphone can read the vCard sticker.

More information about the NFC-vCard can be found on the NFC-vCard website.

Product properties

Product number	69027
