Product description

NFC product

The NFC Blocker is made of PVC with an integrated shielding coil. This coil reliably prevents the reading of NFC cards. It has a format of 85,6 x 54 mm and a material thickness of 1.3 mm. It also fits easily into standard wallet compartments and protects all NFC cards behind it. From the outside the NFC Blocker is matt orange.

NFC chip

The NFC Blocker itself does not have an NFC chip.
