## Product description

### NFC product

The NFC Blocker is made of PVC with an integrated shielding coil. This coil reliably prevents the reading of NFC cards. It has a format of 85,6 x 54 mm and a material thickness of 1.3 mm. It also fits easily into standard wallet compartments and protects all NFC cards behind it. From the outside the NFC Blocker is matt orange.

### NFC chip

The NFC Blocker itself does not have an NFC chip.
