Product number: 68775

NFC Blocker - Card - ISO Format - 85,6 x 54 mm - matt black | black

Product information

The NFC Blocker made of PVC prevents the unwanted reading of NFC cards (e.g. credit cards, EC cards) through an integrated aluminium protective layer.

Short description

- PVC material, flexible
- Format 85,6 x 54 mm
- Indoor and outdoor use
- NFC Blocker

Product description

NFC product

The NFC Blocker is made of PVC with an integrated shielding coil. This coil reliably prevents the reading of NFC cards. It has a format of 85.6 x 54 mm and a material thickness of 1.3 mm. It also fits easily into standard wallet compartments and protects all NFC cards behind it. From the outside the NFC Blocker is matt black.

NFC chip

The NFC Blocker itself does not have an NFC chip.

Product properties
