Product number: 68001

Card holder for ISO cards - transparent - portrait format

Product information

The card holder can be used for all ISO cards with the format 85.6 x 54 mm and is therefore ideally suited for name badges at the workplace, at trade fairs or conferences.

Short description

- Plastic material, robust
- Format 101 x 59 mm
- For indoor and outdoor use

Product description

NFC product

The transparent card holder is made of plastic and has a format of 101 x 59 mm with a material thickness of 4 mm. It has a smooth surface and is suitable for ISO cards with the format 85.6 x 54 mm. In portrait format, the card holder has three punched holes to which, among other things, a necklace can be attached.
